

Luxy

Dante Donegani & Giovanni Lauda
2002

IT – Luxy è una lampada "classica", concepita come l'evoluzione degli apparecchi tecnici a bracci snodati. L'impiego di un diffusore in vetro trattato con vernici colorate permette di ottenere un'emissione di luce diretta e diffusa, con tonalità cromatiche calde ed eleganti.

EN – Luxy is a "classical" lamp designed to be the evolution of technical fixtures with articulated arms. The use of a glass shade treated with coloured paints provides for the emission of direct and diffused light featuring warm and elegant chromatic tones.

DE – Luxy ist eine "klassische" Lampe, die als Weiterentwicklung der technischen Geräte mit Gelenkarmen konzipiert wurde. Die Verwendung eines Lampenschirms aus farbig lackiertem Glas gestattet es, eine direkte und diffuse Abstrahlung des Lichts in warmen, eleganten Farben zu erzielen

FR – Luxy est une lampe «classique», conçue comme l'évolution des appareils techniques à bras articulés. L'utilisation d'un diffuseur en verre traité avec des peintures colorées permet d'obtenir une émission de lumière directe et diffuse, avec des tons chauds et élégants.

ES – Luxy es una lámpara "clásica", concebida como evolución de los aparatos técnicos de brazos articulados. El uso de un difusor de vidrio tratado con barnices de color permite obtener una emisión de luz directa y difusa, con tonalidades cromáticas cálidas y elegantes.
